CITIZENS AND GUESTS

Mr. Blake Van Wye – 70 S. Pembroke Ave. – It is about the same thing every time I come here. I mean it has not stopped. Stop the Speeder’s along South Pembroke. Like I have said before I’m not going to have them taunt me. Ain’t going to happen. Mayor Lloyd said Nothing else you’re not going to threaten. Mr. Van Wye said I’m not threatening. Mayor Lloyd said I don’t want to here it, ok. Mr. Van Wye said I’m just telling you, I mean, I have come to you, I’ve went to the County, I’ve went to Mark (Chief Ross), I went to everybody I know to get this resolved, and it is still going on. Mayor Lloyd said I understand. Mr. Van Wye continued by saying “right before I come down here, probably a ½ hour ago, one went by my house flying about 90 MPH, right through the caution light. There are no sheriff’s, I mean I see a sheriff probably 3 times a week. Council Member Lowe asked have there been patrols on this area (directed at Chief Ross). Chief Ross replied yes, I was there this morning and actually got a person going 38 MPH in a 25 MPH zone and sited her. I had to chase her down to Beechrock and then up to Albert. Council Member Lowe asked if there was anyway the Village could get a speed limit machine that shows how fast your going and would that slow people down? Chief Ross said it can and he would have to check to see if he can get one. Mayor Lloyd asked Dan (Administrator) in the meantime can we post a couple more speed limit signs. Dan replied we can but they are already up and down through there. Chief Ross said if we could and there is a post already right from Milldale into the Village.

There were 12 Auxiliary hours worked. In the report with all of the above information you will see some pictures of 2 separate bust that Officer Mascher did a heck of a good job on.

On April 17th, 2021 Officer Mascher stopped a vehicle that had fictitious tags after it was seen in the Ollie's parking lot. The male subject fled on foot leaving the female driver behind. It was discovered that the female had a firearm with her that was being carried illegally. Inside the vehicle was found a bag of drugs. The male, who ran, was possibly her boyfriend who had a warrant on him out of another county. The drugs that were recovered was 241 grams of meth, 11.6 grams of cocaine and 35.6 grams of fentanyl.

Then on May 21st, 2021 Officer Mascher investigated a private property accident at Xterminator on Maysville Ave. During the investigation, Officer Mascher came across the same female and male from the April 17th, incident. Both female and male were detained for that drug investigation that led to more narcotics seized. The male was arrested along with the female. The drugs that were recovered was 179.9 grams of meth, 47.4 grams of fentanyl, and 10.8 grams of cocaine. Also, recovered was over \$1,500.00 in cash.

The drug investigation continued with our help and with the help of the Drug Task Force that led to the supplier in Roseville, where a search warrant was executed, the supplier was arrested. With the two drug investigations on the same people resulted in an Indictment on May 26th, 2021, for 3 counts of Trafficking Drugs (F/1), 3 counts of Possession of Drugs (F/1), and Improper Handling of a Firearm (F/4). Then on June 2nd, the male was indicted again for 3 counts of trafficking Drugs (F/1) and 3 counts of Possession of Drugs (F/1).

In other issues as of the end on May (2021) we have 713 incidents. Last year when I took over in August (2020), we had around 175. At the end of the year (2020) we had 707 incidents.
