

Public Meeting

Village of South Zanesville Water System Improvements Project, Phase 1

The Village of South Zanesville intends to undertake a project to replace aging water lines within the Village's public water system. The project is currently in the preliminary design phase, and the Village is actively exploring funding opportunities to help finance these necessary improvements.

The Village plans to pursue a variety of grant and loan programs to assist with project costs.

A public meeting will be held to discuss:

- The proposed water line replacement project.
- Potential grant and loan funding opportunities.
- The current financial status of the South Zanesville Water Department.
- Estimated Project Cost and how to keep it affordable.

Meeting Information

Date: July 27, 2026

Time: 7:00 PM

Location: South Zanesville City Building

24 E Main St, Zanesville, OH

Residents of the Village and all other interested persons are encouraged to attend and provide input regarding the proposed project, funding options, and water system finances.

Your participation and feedback are important as the Village plans for the future of its water system and infrastructure.
